## About Us

Rotherham Rise (RRise) formerly Rotherham Women's Refuge (RWR) is a registered charity that provides accommodation and/or support to women, men and children who have experienced domestic violence and abuse and Child Sexual Exploitation.

RRise is governed by a board of trustees who are elected at the organisation's annual general meeting.

RRise has been established since 1977. In 1997 a need was identified to modernise the provision to enable the delivery of a professional and quality service therefore the difficult and brave decision was made to close down the existing refuge and realign the organisation with the policies and strategies developing nationally.

In 1999 a new refuge was opened, providing short-term accommodation for up to four families. Initially the refuge was supported by a manager and a refuge worker. An early priority was identified to secure funding to employ a children's worker to work with children of the women who were staying at the refuge. In 2000 a children's worker was employed. Soon after a volunteer service was developed providing much needed additional support.

During 2002/03 the service rapidly grew due to the availability of new Government funding (Supporting People). This funding allowed the refuge, for the first time to make plans for expansion and recruit additional support staff.

In April 2005 RWR opened 10 newly furnished units of accommodation, managed on behalf of Chevin Housing Association and developed an Outreach Service. RWR became recognised locally as a quality provider of accommodation and support.

In 2015 the organisation changed its name from Rotherham Women's Refuge to Rotherham Rise (RRise). The service expanded. New services introduced; Post Child Sexual Exploitation (CSE) support; Post CSE Counselling; Specialist BME Service and specialist C&YP service.

In 2016 RRise moved office premises to Main Street. The beginning of the development of the Women's Centre; through winning the Johnstone's paint award enabled the vision to become a reality. Early stages of the Development of Rise House- Percy Street.

RRise's funding is derived mainly from the contracts, commissioned by RMBC - Housing Related Support Service. The remaining funding is made up from donations and income generating activity.

While RRise is based in the Rotherham area it accepts referrals from across the UK and Ireland and supports those women and their children to access refuge and/or settle in the Rotherham area.

All cases will be examined on an individual basis.

It is important that you understand that failure to disclose all unspent convictions could result in disciplinary proceedings or dismissal.

All Rotherham Rise employees who are involved in the recruitment process have been suitably trained to identify and assess relevance and circumstances of offences.

If successful at the selection stage, we will conditionally offer you the post whilst we complete the necessary checks to determine your suitability for the post. This can include contacting the Disclosure Barring Service (DBS) and/or Police, ISA or other government approved agency in respect of safeguarding vulnerable people. Failure to consent to such checks will result in any offer of employment being withdrawn.

If details given in your application or from the disclosure indicate any offences that are cause for concern we will discuss this in detail with you either at interview or in a separate discussion. The outcome of this discussion may result in us not progressing your application any further or withdrawing a conditional offer of employment.

You need to be aware of the Disclosure and Barring Service (DBS) Code of Practice. This is available from <https://www.gov.uk/government/publications/dbs-code-of-practice>
